

## **Initial invitation**

Subject: Please share your needs during this time

Good morning/afternoon,

In these unprecedented and challenging times, Indiana United Ways and the network of United Ways and United Funds across the state of Indiana strive to better understand the needs of Indiana's nonprofit sector.

We know that you are the lifeblood of the health, financial security, and education of our community's individuals and families and want to hear about the ways you are navigating your important work during this public health crisis. We created this survey, in partnership with the Indiana University O'Neill School of Public and Environmental Affairs, to learn how we can best support you during this time.

We plan to use the responses from this survey to identify community needs, advocate for better supports for the nonprofit sector, and better understand the impact the COVID-19 outbreak has had on the Hoosier nonprofit sector.

All responses are anonymous and completely confidential, and your participation is entirely voluntary. The survey takes about 5-7 minutes to complete and is designed to be taken by a senior leader in your nonprofit.

We recognize that your time is precious, and we sincerely appreciate your participation in this survey.

Thank you for the work you are doing to serve our Hoosier communities. We will get through this together.

With sincerest thanks and appreciation,

Kathryn Habecker
